

AGE CONCERN NORTH DORSET, STURMINSTER NEWTON BRANCH

We are aware that Government guidelines covering the Coronavirus will start to adversely affect those aged over 70. As a charity offering services to those living in the smaller villages surrounding the town we would like to offer some support through this difficult period.

If you live in Pimperne, Stourpaine, Shillingstone, Manston or Child Okeford we can help you with:

- Shopping/Deliveries
- Collecting medications
- Walking a dog (*1-2-1 private arrangements with those you trust*)
- Posting letters

If you require shopping you would need to be able to provide our member of staff with cash and a list of items to be purchased. All services would be free of charge.

If you need our support please call our main office on 01258 475 582 or call **Kath Oxlee on 07984 744310.**

(Jackie Arnold 07545 212989 IS COORINATING IN in Stourpaine ONLY Kath will pass request on to her in due couse – this way we are covered by AC insurance)
